

La Pearl Headboard Assembly Instruction Manual

Assembly Components:

The La Pearl Headboard is provided with components with which to assemble it alongside your bed. These components are either brackets or legs. 2 sets of 2 brackets (i.e. 2 for headboard and 2 for wall) with screws (2 per bracket) are provided for mounting the headboard against your wall at a desired position; and a set of 2 legs and screws (5 per leg) are provided for raising the headboard to a higher level alongside your bed. The components provided are as follows:

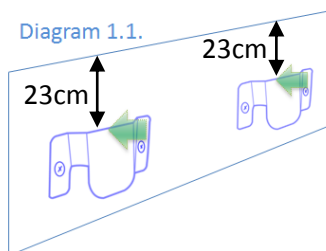

- 1) Wall Brackets x 2
- 2) Headboard Brackets x 2
- 3) Wall Bracket Screws x 4 (Long Screws)
- 4) Headboard Bracket Screws x 4 (Short Screws)
- 5) Headboard Legs x 2
- 6) Headboard Leg Screws x 10 (Short Screws)

Assembly Instructions:

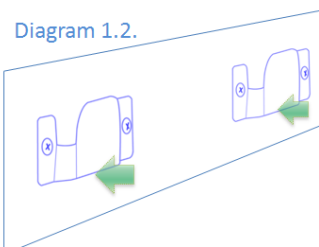

The following instructions are provided as guidelines to ensure a proper assembly and fixture of the headboard:

1. Mounting the headboard to your wall using provided brackets (Optional):

- 1.1. Screw in both headboard brackets at approximately 23cm from the top of the headboard as shown in diagram 1.1.

- 1.2. Screw in both wall brackets to the wall to match the position of the headboard brackets such that the headboard is raised to the desired level alongside your bed (as illustrated in diagram 1.2.)

- 1.3. Slot the headboard with attached brackets into the mounted wall brackets.

2. Raising the level of the headboard using provided legs (Optional):

- 2.1. Slot in and screw both legs into the headboard at approximately 21cm from the left and right sides of the headboard as shown in diagram 2.1.
